GENERAL TEAM RULES

1. FIRST AID KIT: Each team **MUST** have a Red Cross-approved first aid kit in the dugout at all tryouts, practices, and games. The penalty shall be a \$100.00 fine for each violation if a team is in need of a first aid kit and they do not have one and this event is reported to the Chairman, Umpire in Chief or one of the committee members.

2. No one will be allowed in the dugout unless in uniform and this includes the scorekeeper. REMINDER - Per ALB Rule, all teams must have a legion baseball patch on their jerseys on either left shoulder or left breast for all regular season games and tournament games. All coaches must also have a patch on any game pullover.

3. The Department Baseball Committee must approve a team sponsorship prior to a team participating in the New Hampshire American Legion Baseball program.

4. Dual Rostered Players: The NH rule as follows was amended during our spring meeting on 3/3/24 and adopted. **Teams may dual roster up to three (3) players within their program within the junior and prep programs only. Paperwork for the players must be included with both the junior and prep team and a note must say "Dual Roster" on the top of the rom #2**

4a. Player Participation Within a Program Clarification This is the rule as stated in the ALB Rules 6-E-1:

However, senior eligible players may not participate on a junior team . Those eligible junior players may appear in an affiliated senior team game provided the total number of players in such senior game does not exceed 18 players.

So, programs who have a senior team and also have a prep team, junior team or both can bring up players from those prep or junior teams to play seniors as long as there is not more than 18 players listed on line-up card for that given game. No more than 18 listed players can play in a senior game on any given night.

A legion program is allowed to make their own rule if it is stricter than the national rule. Therefore, the NH rule for a Form 77 will be as follows. Once a player chooses a team from his school or domicile, he signs a Form 77 as a new player to that junior or senior team. That player is restricted to that team for his entire playing eligibility on that junior or senior team. If a player is released or cut by that team, then that player will be allowed to try-out for another team that is nearest his parent's domicile.

6a. Player Eligibility: Please refer to the 2024 Eligibility chart in the ALB Rule book or on our website under coaches links.

This list shall be forwarded to the baseball Chairman. The Chairman shall forward this list to the next closest team so that team will be made aware of these players. This process shall continue until each player finds a team or decides that they do not want to participate in Legion baseball.

***Note: Every player that is cut from a legion team roster, that is, the roster that is entered onto the official Form 1**

roster on-line shall be on that cut list. Players cannot be held on a team to be eligible for Tournament Rosters and not be allowed to try out for another legion baseball team for official legion baseball district play.

d. OFFICIAL GAME SCORE: For regular season games, the home team gamechanger will reflect the official score for all aspects of that game. During our state tournament games, the NH Baseball Committee will be in charge of the official scoring.

10. Pitching Rules: Adopted for the 2022 (Minor changes made in wording) Regular Season and All Tournament Play. Please see link on the front-page of our website.

11. The Designated Hitter Rule: The DH Rule is allowed in NH American Legion Baseball. Refer to Rule 6.10 of the Official Baseball Rules. If you use the designated hitter, it must be for the pitcher only for the junior and senior program. **There is no DH allowed for the prep program.**

Until a batted ball passes a coach, a coach is not permitted to position himself closer to home plate than the coach's box nor closer to fair territory than the coach's box. Otherwise, a coach shall not be considered out of the box unless the opposing manager complains, in which case the umpire shall strictly enforce the rule and require all coaches (on both teams) to remain in the coach's box at all times.

16. Lightning Safety: There is a nation rule for lightning safety (Rule 1-O). Please see ALB NH rules in this regard.

Suspended Game Rules

A regular season game that has officially started and is halted due to weather or darkness will be considered suspended before it becomes a legal game.

A legal game is a game that game has to go 4.5 innings if the home team is ahead or 5 complete innings if away team is ahead, the home team would get last at bat to try and win.

If a game does become legal and in subsequent innings the game is halted due to weather or darkness, the following criteria will be used:

1. If the game is halted and the inning is complete and another inning has not started, the game considered over. If the score stands tied, that game would continue as a suspended game.
2. If a new inning has started and the away team scores no runs and has recorded three outs and then game is halted, if home team is ahead, the game stands as complete. If the game is tied and the away team scores a run or runs to go ahead in that 1/2 inning, then the game is halted, that game is suspended at that point and has to be completed.

The rules not specified in State Rules will be covered by National Rules or the Official Baseball Rule Book as published by the Sporting News.

17. REGULAR SEASON GAME RULES PREP PROGRAM

- 1. Prep Pitching Rule:** The prep program will follow the Pitch Smart Pitching Rule listed in the ALB Rule Book.
- 2. Bat Rule:** The prep program will follow the ALB bat rule that is listed in the ALB Rule Book.
- 3. Batting Line-up:** During the regular season a prep team will be allowed to: Bat a line-up of nine players or all their players who are in attendance for that particular game. Once a type of batting order is chosen at the beginning of a game,

that choice cannot change. In all the above cases, a batting order cannot change.

4. Game Length: When playing a double header involving the same two teams, the first game will be 7 innings and the second game will be 5 innings. If a team plays two different teams in the same day, both those games will be 7 innings.

5. Positioning of Players: The prep program will allow free defensive substitutions during a game. Once a pitcher is removed during a game, he can go to another position but cannot return to pitch. We would also advise that a pitcher would not play the position of catcher the day he also pitches.

Rule Revisions: Once our prep tournament starts, it will follow all NH, ALB and MLB rules as written. No exceptions to those rules will be allowed.

EQUIPMENT RULES

18. Bat Rule: The senior, junior and prep program will follow the ALB bat rule that is listed in the ALB Rule Book. This rule was changed by a unanimous baseball committee vote on September 11, 2023.

19. Baseball Rules: Approved baseballs must have a legion certification stamp on it. **[Link to approved legion brand baseballs.](#)**

20. Coaching Helmet Rule: Coaches must wear a helmet to be on the field. A hard helmet is required; "Skullies" are allowed to be worn by an adult base coach. Baseball hat inserts are NOT permitted. If a coach comes out to his coaching position without a helmet (as if to begin an inning), the umpire should direct the coach to put on a helmet immediately. If the coach does not immediately move to comply with the umpire's direction, the individual is to be ejected from the game. If a player is utilized as a base coach, that player must wear a helmet that contains ear flaps. A player cannot wear a "skullie" - hard helmet with no ear flaps" while coaching any base.

21. Field Conditions: Although there is no rule for conditions of playing fields, the respect of our legion baseball program as well as all the teams playing in our program should come into play for each and every game. All NH teams should make a great effort for maintaining a respectable field for playing our games. Fields should be mowed, raked and lined for every one on our legion games. Please make an attempt this year to take this into consideration. Thanks, The Baseball Committee.

22. Home Team Commitments - Umpires and Baseballs: Whichever team hosts two games of a three game regular season series, that team will assume the responsibility of paying for umpires for both games and also providing baseballs for both games. If these two teams want to make adjustments to this rule, the discussion to do so MUST TAKE PLACE when the games are scheduled. If teams decide to make a different arrangement for umpire payments (and baseballs) for these two games, the away team MUST BRING A FORM OF PAYMENT TO THAT GAME. If teams are just playing a home and away two game regular season schedule but they are playing both games at one location, each team must have one home game and be responsible for providing baseballs for that game and also pay for the umpires for that game.

PROTESTS

1. Protests of official baseball rule interpretations during actual game conditions must be filed with the chief umpire before the next legal pitched ball is thrown from the pitching mound or an out made.
2. A written protest (using the Protest Form) must be sent within 24 hours to the **Protest Committee Chairman, District Director, and Department Baseball Chairman.**
3. The Protest Committee Chairman will send the written decision to the Team manager with copies to the District Director and Department Baseball Chairman.
4. Player eligibility protests will be filed in writing, be specific and include positive written proof of the circumstances and presented to the DISTRICT DIRECTOR with a copy to the DEPARTMENT BASEBALL CHAIRMAN. The DISTRICT DIRECTOR will resolve the protest allowing an appeal of his decision to the DEPARTMENT BASEBALL CHAIRMAN.
5. Any player found to be ineligible shall be disqualified. Any and all games said player participated in shall be forfeited.
6. Any appeal or rule interpretations to National Headquarters, the National Director, or the National Appeals Board must be routed through the Department Baseball Chairman. Any individual or team, either directly or indirectly, that contacts such higher authority without the permission of the DEPARTMENT BASEBALL CHAIRMAN SHALL BE SUSPENDED from participation in the New Hampshire American Legion Baseball Program for a period of time as determined by the DEPARTMENT BASEBALL COMMITTEE.

FORFEITS AND MAKE-UP GAMES

1. District Games will take precedent over non-district games in rescheduling of un-played games. A player that is on the Form#1 and not on the lineup up card is eligible to play that game or any makeup game.
2. Teams must submit a copy of their season baseball schedule (**District and Non-District**) to the District Director **prior to their first scheduled game.**
3. **Game Make-up Directions:** District games not played as scheduled due to inclement weather or other reasons, must be rescheduled within 24 hours after the game is called. The Chairman must be notified immediately if a game is

cancelled or suspended. This game must be made up on the first open common weekday date of both teams. In the final two weeks of the season, this game must be scheduled on the first open date period, weekend or weekday. If the two teams cannot agree on a rescheduled date within the 24 hours, the Chairman will set the rescheduled date and his decision is final. If the game is not played on the rescheduled date, barring more inclement weather or other reasons, the Chairman will continue to reschedule this game until it is played. Expenses incurred to play the rescheduled game will be borne by the home team.

4. Forfeit Rules: If a team forfeits more than two games in the same season, that team's Baseball Franchise (team in question) status will be brought forward to the Baseball Committee. A penalty of a one year suspension could be voted upon. If a year suspension is voted, this team will be put on probation for the following year. If this team requests reinstatement after that suspended season, they will have to fill out a new team form and address the committee in person with their plans to successfully re-instate that team.

5. Unfinished District Schedule: In the judgment of the State Chairman, Vice Chairman and Umpire in Chief, if a team does not finish its scheduled District games, all games played by that team will be discounted in the final standings of the District in which the team played. Consideration will be taken into account on how the eliminated games would affect seedings for State Tournament.

NH LEGION EVENTS 2024 - SENIOR, JUNIOR AND PREP STATE TOURNAMENTS and LEGION BASEBALL SHOWCASE

1. All the New Hampshire State Tournaments and Showcase locations, dates, formats and information shall be posted by the Chairman on our website under each program once that decision has been made by our committee.
2. Umpires for the State Tournament will be selected by the Umpire in Chief and his assistant with approval by the Department Chairman and will be members of the NHALBUA.
3. All Prep, Junior and Senior tournament games will be scheduled seven (7) innings. Tournament games interrupted, for whatever reason, will be played to conclusion and retain their place in the tournament schedule.

 - a. Won and lost record against the team or teams tied with.

 - c. Least number of runs allowed against team or teams tied within head to head competition.
 - d. If still tied, a flip will determine seeding.
 - e. The first and second place seeded teams will have the option of choosing to play as the home or visiting team in their first game of the State Tournament. From Game 5 through Game 15, a coin flip will be used to determine the home team.
8. If two or more teams finish in a tie for fourth place, the above tiebreak system will be used until the fourth tiebreak. There will not be a coin flip; there will be play-off game to decide the fourth seed outcome. If 3 teams are tied, after tiebreak's a-c above, a coin flip will decide a bye in game one, and the team receiving the bye will play the winner of the playoff game to decide fourth place.
9. During a State Tournament, any player, coach, or manager suspended from a game by an umpire for un-sportsmanlike conduct must report to the Protest Committee to be reinstated, the Committee will review the request and will make a recommendation to the Department Baseball Chairman. The Department Baseball Chairman's decision is final.
